

Fact Sheet – Understanding Care

How does CARE fit into our Purpose statement?

Convinced that no one should live and die without hearing God's good news, we believe that He has called us to make disciples of the Lord Jesus Christ in communities where He is least known.

By investing in one another and journeying side by side, we can mature in prayer, spiritual vitality and dynamic outreach. And as we pray for our SIM ecosystem to flourish, we will wait expectantly for God to bless our community.

How do we define Care?

Working Definition: The effort to intentionally live out our biblical calling to “love one another” while focusing on making disciples in communities where Christ is least known. Care is not limited to a specific program, but is accomplished as workers pursue excellence in who they are and what they do. It helps people flourish as they seek to develop, serve on teams, collaborate in ministry, and pursue kingdom outcomes.

What are the components of Care?

Questions to consider?

- How has your love for a fellow SIM worker or team member this week been a part of their overall care?
- Do you find it easy to discover the needs, gifts and contributions of others or to share your needs, gifts and contributions with your coworkers? Why or why not?
- How could you be part of making the SIM ecosystem flourish from your area of influence and service?
